Dear Sir or Madam:

The Graduate School of Chemical Sciences and Engineering (CSE), Hokkaido University in Sapporo, Japan is pleased to announce the start of the application for April and October 2020 enrollment of our international educational program, the Advanced Graduate School of Chemistry and Materials Science (AGS).

CSE is a unique graduate school in its specialization in chemistry combining chemistry both in Science and Engineering and covers all major fields in chemistry and materials science. We are recruiting talented students from all over the world and will foster them as independent researchers, fulfilling professional education under the atmosphere of friendly competition.

The application deadline is Thursday, October 31, 2019. We welcome applications from all eligible students and appreciate if you could share the attached poster and Application Guidelines with your students.

If you have any questions, please do not hesitate to contact us at [ags@eng.hokudai.ac.jp](mailto:ags@eng.hokudai.ac.jp) or visit the following website:
